

PUENTE

2022 FALL HARVEST CELEBRATION SPONSORSHIP OPPORTUNITIES

Our Annual fundraiser will be held on Saturday, September 24 from 3-6pm at Harley Farms Goat Dairy in Pescadero.

Our annual Fall Harvest Celebration is back and we are excited to hold this event to bring together Puente participants, farmworkers, youth and parents, donors, volunteers, and partners around a food-laden farm table. Your sponsorship provides support for Puente programs and features you as a community supporter for the South Coast region, and affords your company and brand with visibility and promotions at our Fall Harvest Celebration.

ABOUT PUENTE

All individuals, families and communities have dreams for the future. At Puente, we believe that self-sufficiency is essential to turning those dreams into reality. Every day, we walk side-by-side with our South Coast neighbors to elevate our communities to build confidence for themselves. Because when people have equitable access to the local resources that support their dreams, they are one step closer to realizing them.

Founded in 1998, Puente is a 25-year-old nonprofit that over the years has increased its programming but has kept its essence to value and utilize the strengths of the community members to lead. Our participants make our community stronger with their diversity, leadership, and commitment to themselves and their families. Puente's education, youth leadership development, mental health at-no-cost, tax return preparation, dental services and community building efforts are the only such services offered in this far-flung region just "over the hill" from Silicon Valley, yet a world apart.

MISSION

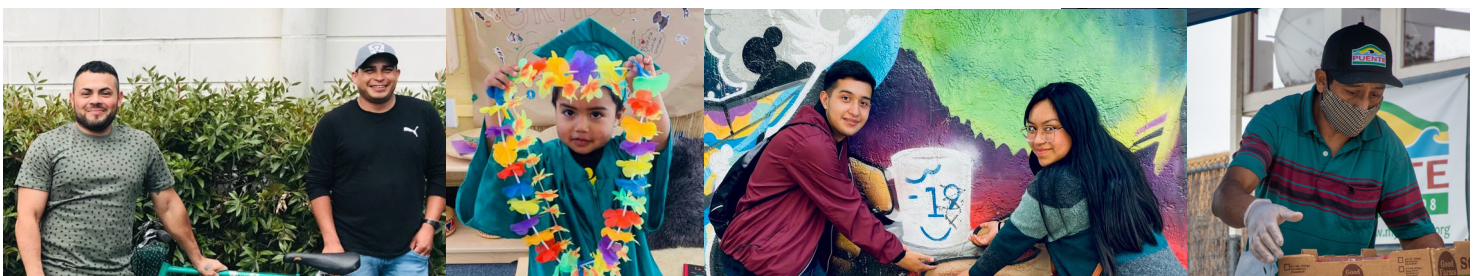

Puente fosters wellness and prosperity in the San Mateo South Coast communities of Pescadero, La Honda, Loma Mar, and San Gregorio by promoting and advocating for equitable access to education, health, and economic security.

VALUES

Puente's values guide our staff, volunteers, and board members in all the work we do with our program participants as well as in our relationships with the broader community.

We are committed to:

- Build Equity
- Be Transparent
- Share Strength
- Claim Justice for All
- Elevate Trust
